

Blood-Stream Infection (CDC)

From: Pyett, Joy [Joy.Pyett@interiorhealth.ca]
Sent: Wednesday, December 02, 2009 10:57 AM
To: Blood-Stream Infection (CDC)
Cc: ___IH Parenteral Therapy Clinical Reviewers
Subject: FW: re APIC parenteral therapy recommendations
Attachments: Proposed IH Care and Maintenance October 1 09.doc; APIC Parenteral therapy Recommendations.doc

To Whom This Concerns,

Please see the attachments from the Interior Health Parenteral Therapy Committee in British Columbia with comments regarding the CDC draft guideline 'Prevention of Intravascular Catheter-Related Infections'.

Thanks for giving us the opportunity to participate in reviewing the document, Joy
